

WOCOHONE 8995

GENERAL DESCRIPTION

WOCOHONE 8995 is a high quality honing oil formulated with an oxidatively stable paraffinic base oil and a unique high performance additive package. It is designed to work with both diamond and vitrified abrasives, and will keep these abrasives extremely clean while providing excellent surface finish. WOCOHONE 8995 is also an excellent lubricant to use in microsizing operations.

TYPICAL PROPERTIES
