

## **PROGRIND 45**

### **GENERAL DESCRIPTION**

PROGRIND 45 is a low viscosity, chlorine free grinding oil. Its unique additive package gives excellent grinding performance without the disposal considerations of chlorinated oils. Since PROGRIND 45 does not contain active sulfur, it can be used in the grinding of copper, bronze and brass. Its light color makes it easy to view the workpiece, and its high level of lubricity ensures superior surface finishes.

### **TYPICAL PROPERTIES**

Viscosity @ 100°F, SUS .....	45
Flash Point, °F .....	270
Color, ASTM .....	0.5
Lubricity additives .....	Present
Sulfur .....	Present
Chlorine .....	None

### **SHIPPING CONTAINERS**

Available in 5 gallon pails, 55 gallon drums, or 275 gallon bulk containers.

### **HEALTH & SAFETY**

Material Safety Data Sheets are available for all Wallover products. Consult the MSDS for information regarding the storage, handling and disposal of this product.

### **WARRANTY**

All reasonable effort has been made to ensure that the information provided in this publication is accurate. No warranties are expressed or implied since the use of this product is beyond our control.
