

PREMIUM LOCK DE-ICER + LUBRICANT

One of the harsh realities of living in North America is the cold winter temperatures that often lead to lock freeze-ups. Be prepared this season with **STP® Premium Lock De-Icer + Lubricant**.

Containing ethanol and isopropyl alcohol, **STP® Premium Lock De-Icer** comes in a convenient squirt nozzle bottle that is easy to use – flip cap, insert and squirt! It works quickly to defreeze frozen locks and lubricate moving parts to prevent the occurrence of broken keys or locks.

STP® Lock De-Icer is suitable for thawing auto, home and other outdoor locks that become frozen, and is an effective way to help prevent future freezing and rusting.

Performance Features & Benefits:

- Rapidly thaws frozen locks – home, auto, outdoor locks
- Lubricates moving parts & reduces wear
- Easy to use, convenient squirt nozzle bottle
